

# ARGONAUT PRO WEATHERPROOF LINEAR

**ARGONAUT**  
**PRO** 

## Ultimate Spec & Efficiency, Configurable Quad Output\*

The Argonaut Pro Weatherproof Linear range is designed to maximise LED efficiency with the highest product performance and LED lifetime. Featuring configurable quad output, they maximise efficiency by delivering up to 152lm/W.

Backed by Clevertronics support, service and 10 year warranty, the Linear range is available as a Mains or L10 Nanophosphate with monitoring capabilities including Zoneworks HIVE, DALI and CTP.

### Applications

- |                                                                                                 |                                                                                                   |
|-------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
|  Car Parks   |  Corridors     |
|  Stairwells  |  Back of House |
|  Fire Stairs |                                                                                                   |

### Emergency Range

**L10** LITHIUM  
NANOPHOSPHATE®  
**OPTIMUM**  
NOTHING ELSE COMPETES WITH NANOPHOSPHATE®

### Features and Benefits

- Tested to BS EN 60598-2-22
- Configurable quad output (varies by model)
- IP65 Ingress Rating
- Long life, energy efficient LED strip module
- Large terminal block for easy installation
- Nanophosphate battery
