

CLEVERTRONICS XT HIVE 2.4GHz Node Regulatory Compliance Declaration

Document No: CLEV-RCM-XTHIVE2.4GHz-Node
Date: 24 March 2022

We: Clevertronics Pty Ltd
1 Caribbean Drive
Scoresby VIC 3179 Australia
T: +61 3 9559 2700
E: Productenquiry@clevertronics.com.au
ABN: 64 136 264 349

Clevertronics Pty Ltd
Unit 22/761 Great South Road
Penrose, Auckland 1061, New Zealand
T: +64 800 548 448
E: Productenquiry@clevertronics.com.au
NZBN: 9429042377382

declare the below Radio Module Product Codes

Radio Module Name	Clevertronics XT Hive Node 2.4
Radio Module Product Codes	8003560, 8003570, 8003580, 8003590
Operating Frequency Range	2.40GHz – 2.48GHz
Channel Access Method	Polite Spread Spectrum (PSS)
Hive Product Range	L10 and LP Product Range
AU Radiocommunications SRD Standards 2014 (AS/NZS 4268)	Compliant
- AS/NZS 4268: Row 21 Table 1	Compliant, Test Report TF22F03031515W
❖ EIRP: 10 mW limit	Compliant
❖ Transmitter Spurious	Compliant
❖ Frequency Stability	Compliant
❖ Peak Spectral Density <10mW/MHz	Compliant
NZ Radiocommunications Regulation (General User Radio License for Short Range Devices) Notice 2020	Compliant
- AS/NZS 4268: Row 21 Table 1	Compliant, Test Report F22F03031515W
- Special Condition 13	Compliant, Test Report F22F03031515W

ARPANSA Radiation Protection Series RPS S-1 2021

Compliant, Test Report CE3381

Regulatory Marking

Clevertronics XT Hive 2.4GHz Products can be legally sold in Australia and New Zealand as they comply with the applicable standards listed above.

Name of Authorised Person: Michael Duce

Title of Authorised Person: National Systems and Engineering Manager

Date of Declaration: 24/03/2022
