| cc = UPS   | Changeover Central Supplied from a UPS (240V AC) | ff = "Custom colour code" | Housing Colour – custom define colour code   |
| cc = 4HR   | 4-hour emergency run-time fitting                | ff = Blank                | Housing Colour - Standard colour             |
| dd = CM    | Ceiling Mount version                            | ff = BLK                  | Housing Colour - Black                       |
| dd = WM    | Wall Mount version                               |                           |                                              |
| dd = FM    | Flag Mount version                               |                           |                                              |

are in conformity with the requirements of the:

- AS/NZS 4417.1:2012 & AS/NZS 4417.2:2018 in-scope electrical equipment and AS/NZS 3820:2009 (Essential safety requirements for electrical equipment)
- Radiocommunications Labelling (Electromagnetic Compatibility) Notice 2017 made under section 182 of the Radiocommunications Act 1992
- Australian Communications and Media Authority (ACMA) for Electromagnetic Compatibility (EMC).

Above products meet the following standards:

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| AS/NZS 2293.3:2018 | Emergency lighting and exit signs for buildings Emergency luminaires and exit signs                                                                        |
| AS 60598.2.22:2019 | Luminaires – Part 2.22: Particular requirements – Luminaires for emergency lighting (IEC 60598-2-22:2017 (ED.4.1) MOD)                                     |
